Bo , arbeid og opplevelse

Hardangerkonferansen 2025

An aerial photograph of a coastal landscape. A wide, light-colored sandy beach runs diagonally from the bottom center towards the upper right. To the right of the beach is a calm body of water, likely the ocean, with a soft blue-grey hue. To the left of the beach is a marshy area with intricate, dark, branching patterns of water and vegetation. The sky is a pale, hazy yellow, suggesting a sunrise or sunset. The overall tone is serene and natural.
